## Spotlight on Danny Powell

For those of you who do not know Danny, he is one of our life savers, who also happens to love Moana SLSC so much that he is one of our generous sponsors. Danny works really hard for SLSSA he is a drone operator and has been involved at a high level with both state and national competitions. Danny can often be seen helping behind the bar, sand bagging the club and just generally being an all round legend. Danny has helped generate lots of sponsorship initiatives for the club.

**Thank you for all your hard work Danny.**
