Spotlight on Beck Harris

If you do not know Becky Harris, she is our amazing Youth Coordinator. Becky has been a member of Moana SLSC since 2013 and gained her Bronze Medallion in 2017. Becky has three daughters, Kaila (our Nippers swimming coach), Jess and Lily. Becky is married to Trafford, who you can often see out on his stand up paddle board doing some mad tricks and doing

lots of water cover. You can often spot Becky swimming, running or out on her bike, as she is a keen triathlete.

What does Becky do at Moana SLSC? Well that's a great question. Becky looks after our Youth, so if you are aged between 13 and 18, Becky is your go to person. You can [email Becky](#) or catch her down the club when you see her. Becky will help you arrange to get your awards, sort out carnivals and training for you. She will also be organising the annual Youth camp in 2020, which will be great.

The Duke of Edinburgh's Award at Moana SLSC

The Moana DofE program has been running at Moana SLSC since 2012 and has seen many of our members go on to achieve great results.

What is it? The DofE is for young people between the age of 13 and 25. There are three levels, Bronze (from 13), Silver (from 15) and Gold (from 16). The award gives you credit towards your SACE, the equivalent of a full year 11 subject (if you complete Silver) or a semester (if you complete Bronze). If you achieve the Gold award, you go to Government House to collect the internationally recognized award.

Why do it? Well why not, is more the question. You get SACE credit for what you are already doing at Moana SLSC, it looks great on your resume and can help you get both a job and into Uni.

What's involved? Well there are 4 elements of the award, Service (which can be patrolling), Skills (which can be training for a new award, learning to be a coach or age group managing), Physical Recreation (which can be board training, rowing, gym or anything active that you do) and the final element is the Adventurous Journey (which is the best fun). You don't have to do everything through the Surf Club, you can use other things you do, such as learning to drive or ply the piano, playing cricket etc.

How do I do it? You need to speak to **Ange Phillips** or **Becky Harris**, who will be able to get you signed up and give you lots of help and support.

If you'd like to be involved or find out more, message Ange on 0427197260
