Female Nipper of the Year

Denia Benchley - Sheldon

Denia joined the Moana team as an under 9 and has contributed to the juniors by arriving early and helping with setting up and also cleaning up at the end of training sessions. She is a dedicated member who has attended every training session and carnival this season competing willingly in all events, and is frequently seen cheering on the other competitors.

In the future Dania looks forward to completing the SRC as soon as she is able so that she can Patrol and also come back and help out with water cover and Nipper training.

Denia enjoys many aspects of SLS including training, learning and the many friends that she has made.

Male Nipper of the Year

Jacob Cerullo

Jake has been a member at Moana from 6 years of age and has really enjoyed competing and being part of the Moana team supporting his team members even when he was injured, he could be seen cheering them on. He has shown leadership by helping out with board training showing the younger age groups how to paddle and catch waves. Completing his SRC this season Jake has helped out with Junior water cover and become part of a Patrol team.

In the future Jake looks forward to commencing the Duke of Edenborough Award, continuing with competition and patrols, helping out with Nipper training, completing more Life Saving Awards.

Jakes favourite thing about Surf Life Saving and being a part of our club is that it feels like home because it is a safe place, and he has made many friends both young and older.
