COVID Marshal Training

Please can everyone who goes into the club and is 18 or over complete the free training.

The COVID Marshal training has now been made available and can be found at:

www.covid-19.sa.gov.au/recovery/covid-marshals

The course is free, takes about 30 minutes and covers the fundamentals of infection prevention and control for COVID-19.

- 1) Click on the *Complete COVID Marshal Training* tab
- 2) Click the *Register* Tab
- 3) You will need to create a new account when you register.

Please note that as the course covers all industries and activities, a number of the registration questions are very generic.

For example under **Business Type** the options *please pick Community Club*.

Please note that this in no way changes the questions or the outcome of the training.

You will also be asked to choose a **Position Held**, we suggest that you choose "Volunteer".

Having just completed the course, there is some reading, followed by 12 multiple choice and "true and false" questions, with an 80% pass rate.

Once you have passed the course, please send your certificate to whs@moanaslsc.com.au.
