An Evening of music, rhythm and fun.

We are looking for our Members and friends to put together tables of 10 to 12 people and submit a song for your table performance.

The evening is booked for Saturday Night 1 May 2021 with a 6.30 pm

There will be an entry cost of \$15 per head.

Cheese Platters can be pre-ordered from Dukes Café by contacting Karly on 0406 958364 if desired or bring a plate.

Please come along and join in on the good music, great fun and endless imagination, talent and "craziness" our Members and their friends. Prizes on the night.

Table bookings will be limited by the current SA Health requirements so please get in early. Those people who have enjoyed this night previously - spread the word – sing it if you like.

IRB Training

Hi All,

Not sure if I'll be competing as I was planning on having a bit of a break after leaving SLSSA. However, if there are people keen enough to get a team together, I'll coach.

Commitment at minimum would be one training session a week, plus carnivals. Clearly if needed then more training could happen.

Members new to racing need 20 hours in water race training before the first carnival, which is usually in May.

I have found in the past that IRB racing is a good break in the week from study and work as the commitment isn't huge.

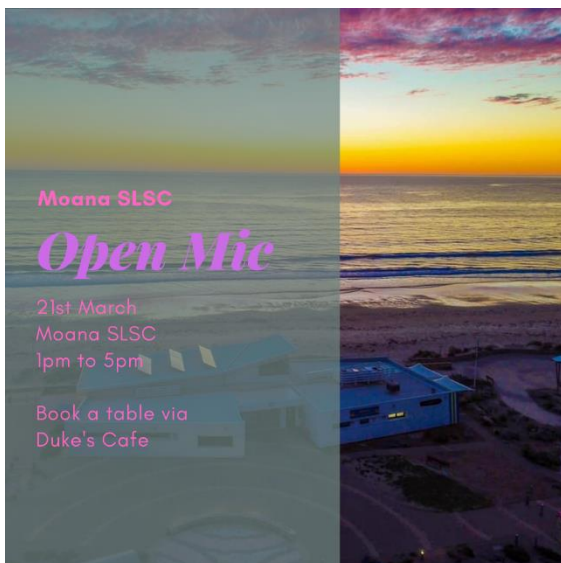

This is purely an EOI atm. So please comment here if you are interested, via text to 0430054985.

We won't be out for sheep stations, but it'll be nice to at least have Moana back on the line again.

Cheers

Kate Southern

Open Mic is back

Ponder of the week

“Its impossible”
said pride.
“Its risky”
said experience.
“Its pointless”
said reason.
“Give it a try”
whispered the heart.
